

## **GIS Tool Disclaimer**

Caltrans makes no representation about the suitability, reliability, availability, timeliness, or accuracy of its GIS data for any purpose. The GIS data and information are provided “as is” without warranty of any kind. Use of the data should be limited to informational and preliminary study purpose only. Caltrans shall not be held liable by users of the data, or by any other party, for any loss or damages, consequential or otherwise, including but not limited to time, money, or goodwill, arising from the use, operation or modification of the data. The datasets are intended for high level planning purposes and is a point in time reporting of estimated current conditions and forecast of future conditions. While every effort has been made to ensure accuracy of reported data, the data is not intended for detailed service or facility planning. Such planning requires in-depth site analysis and field confirmation of actual conditions.
